The Deputy Commissioner,

Chitaldrug District.

Dear Sir,

I am ~~directed~~ desired to forward herewith, for ~~favour of disposal~~ your information, the marginally noted petitions received in this office regarding the Garudapakshayana yagam proposed to be performed at Harihar. ~~I am in this connection to forward for your information the opinion of the~~ Agamik attached to this office who was consulted in the matter of the performance of animal sacrifices within the precincts of the places of religious - - - worship of Hindus has given the accompanying note stating that it is objectionable to allow it. I am therefore to suggest that you may investigate the matter locally & obtain orders in case there are precedents for allowing such.

I have &c.,

Muzrai ~~Secretary~~ Secretary to Government,
(In charge).

(1) No.4332 dated 12th April 1922 from Rama Dikshith Somayaji addressed to Muzrai Superintendent praying for certain help for the yagam.

(2) No.4331 dated 12th April 1922 received from Rama Dikshit through the Private Secretary to H.H. the Maharaja praying for certain help for the - - - yagam.

(3) No.4366 dated 19th April 1922 ~~from~~ from T.S.Vasudevachar of Harihar protesting against the performance of the yagam in the premises of the Harihar temple.

a sacrifice within the temple precincts at Harihar and the public opinion is not against the Conducting of the Sacrifice there, it may be allowed to go on. If there are no precedents, or if public opinion is against allowing the sacrifice within the temple precincts, the Agamik's opinion may be allowed to prevail, and the sacrifice not permitted within temple precincts.

Yours sincerely

To Hle. Syed Taj Pervez Esq. B.A. DC, Chitaldrug

Office of the Deputy Commissioner,

Chitaldrug District.

Dated Chitaldrug, 20th May 1922.

Dear sir,

With reference to your D.O.No. A. dated 22nd ultimo forwarding certain petitions protesting against the performance of Yagam for my information, I beg to state for the information of Government that I held a detailed enquiry in the first instance and was satisfied that the opposition was by one or two persons and that the public opinion was strong in favour of the performance of the Yagnam in the temple premises as was done previously under the orders of the then Deputy Commissioner Mr. K. Krishna Iyer.

I enclose a copy of my order as also that of the report of the Amildar referring to the then order of the Deputy Commissioner Mr. Krishna Iyer.

On receipt of your letter I again went to Harihar to see if there was any development. I was satisfied that the ceremony was in full progress and I learnt that the relations of even these persons also were co-operating. There was not a single dissenting voice in

that segregation.

A few days later, when Mr. Subrahmanya Iyer. Inspector General of Police was here I request go over to Harihar and witness the Yagam. I am glad that he paid a visit to Harihar. In conclusion, I beg to state that the ceremony was concluded to the satisfaction of all the pilgrims who had resorted to Harihar and that the Police and Sanitary arrangements were satisfactory. The 1st Class Magistrate was requested by me to stop at Harihar during the period of the performance of Yagnam. I have noted the instructions contained in the letter under reference for future guidance.

Yours sincerely,

A K Subbarao

To D. V Ramanathan Esq. I.A.S

The Muzrai Superintendent,
in Mysore,
B a n g a l o r e.

I ho contention of the opposite party was duly heard by me was last at Harihar. I don't think that the objections ed by them are tenable so far as sanitation is concerned. It be highly inconvenient to erect a pendal for cooking purposes n ar the river as the whole struture will be blown down or washed away, if there be mungar showers. The opposite party which consists of one or two persons were convinced of this difficulty and when they were assured that there will be no obstruction to passers-by by the erection of the pendal in the compound as sufficient space will be left for pedestrians to move about through the pendal they were satisfied. The Deekshit was further asked to make suitable arrangements for water supply and for this purpose he was required to deposit ₹ 100/- with the Municipal Engineer, Davangere to undertake to work the machinery of the Harihar water supply and fix additional taps near the Musafirkhana of the temple. He also agreed to pay 1/3 of the net realisations to the temple funds besides getting the Musafirkhana and the whole premises cleaned at his own cost. The Deputy Amildar will obtain a muchalika from the Deekshit as ----- directed in person. The Deekshit should also bear the expenses for engaging a special Sanitary staff for attending to the daily cleaning and sweeping. Temporary latrines should be constructed here and there behind the temple premises for the use of the pilgrims. The action of the Deputy Amildar in granting the license is approved. The Assistant Superintendent of Police will make the necessary Police Bandobhast.
